## **Notice**

Dear Parents / Guardians,

As per the order from the Government, the school along with office will remain closed till 15<sup>th</sup> April 2020. As a responsible institution it is our bounded duty to abide by the Government notification for strict compliance, in view of the threat of Novel COVID-19 pandemic. It may be intimated that the exact date of opening of the school along with the office and running classes for the session 2020-21 will be communicated through the school notice board. However, the report card means result for the session 2019-20 will be handed over as per Government notification. We request all the parents and guardians for your kind co-operation and support. The date of distribution of books, copies and others will be informed later.

We are confident enough that with your help, support and co-operation we will able to overcome this crisis.

With Regards,

Dilip Kumar Pal  
Principal
